

PORTRAIT

Adriana Auderset was born in 1951, in Switzerland. She has travelled to over 70 countries, in search of truth and wisdom. In her film "Portrait" she would like to share with you her artistic creation 2001-2004, icons, water-colours and oil paintings painted in Geneva, Georgia and Russia

Adriana has a holistic approach, inspiring people to open up to loving kindness and compassion. She uses meditation, colour and motives that are healing to body, mind and spirit. She is autodidactic, her language is universal and free of any doctrine.
